

## HOW TO REGISTER WITH A NEW ACCOUNT

Registering with a new account for Sunflower Cottage Croche is an easy process and it consists of two easy steps as explained below:

1. You need to redirect yourself to the right page which you could do by clicking on the 'Account' icon from the header of the page or click on the following link:  
<https://sunflowercottagecrochet.com/account/>

2. Once you are on the right page, you will be prompted with two forms that allow you to sign into your account or register with a new account. First step to follow on this page is to REGISTER. Once you have entered your email and clicked 'Register', a secure password will be sent back to your mail inbox. Next you will have to use that password and the email to log into your account using the left side form. Useful information is written in red and also displayed with arrows in the image below.

ACCOUNT

**LOGIN**

Once you have received your password, you can log into your account

Username or email address \*

Here you can enter your email used to register

Password \*
