Pattern Notes

- Written in US terms
- This pattern is reversible and has an easy 1 row repeat.
- Ch's at the start of the row do not count as a st unless specifically stated otherwise.
- The stitch multiple is 2 (+1 for CH start)
- The various sizes are identified as:
 - xs (s/m/l/xl) (2xl/3xl/4xl/5xl)
- This pattern is worked in one piece from the front bottom up to the neck and then back down the back so minimal assembly is required when it comes to stitching it together.

Rows 3 - on Rep row 2 until work is 14.5" (15", 14.5", 14.5", 13.5") (14", 13.5", 13.5", 13") high.

Do not FO

Part 2: Adding the arms and head hole

Row 1: Rep row 2, DO NOT turn, CH 57 (61, 61, 63, 63) (65, 65, 67, 67)

Attach a second skein to the other end of that row and CH 56(60, 60, 62, 62) (64, 64, 66, 66). FO this second skein and go back to your working loop you left at the end of the first CH.

Row 2: DC in second CH from hook, SC in next ch *DC in next ch, SC in next ch * Rep from * to * across. Then continue repeat in the previous row's

stitches and across the second set of CHs *DC in next st, SC in next st* Rep from * to * across. You will end with a SC. Turn

Adding the head hole:

Note: For this section, the head hole will be 12" wide for all sizes which will give you enough room to put it on quite comfortably. If you prefer it wider increase the head hole by stitch multiples of 2 making sure that there is an even number of stitches on each side.

Row 5: Place a stitch marker in the 66th (73rd, 77th, 83rd, 87th) (94th, 98th, 103rd, 108th) stitch from each end of the last row worked. These denote the first and last stitches of your neck hole and there should be 12" between the stitch markers

Going back to your working loop, CH1, DC in first st, SC in next st, *DC in next st, SC in next st* Rep from * to * across until you have worked the last stitch before the stitch marker.

Note: for sizes S, XL, 4X you will end with a SC.
For all other sizes you will reach the first st marker after working a DC.

Fairly loosely CH 48 for all sizes.

Working the stitch after your second stitch marker continue the repeat. If you are making a S, XL or 4X you will start with a DC.
For all other sizes you should start your stitch repeat again with a SC.

You will end this row with a SC for all sizes. Turn.

- Row 6: CH1, DC in first st, SC in next st, *DC in next st, SC in next st* Rep from * to * across each st and each CH in the row. You will end with a SC. Turn
- Row 7: CH1, DC in first st, SC in next st, *DC in next st, SC in next st* Rep from * to * across You will end with a SC. Turn
- Row 8: Rep Row G until sleeves are 13", (14", 15", 16", 17",) (18", 19", 20", 21") in height.

Part 3: The final body section

- Row 1: Count in 56(60, 60, 62, 62) (64, 64, 66, 66) stitches from each side and note these with a stitch marker.

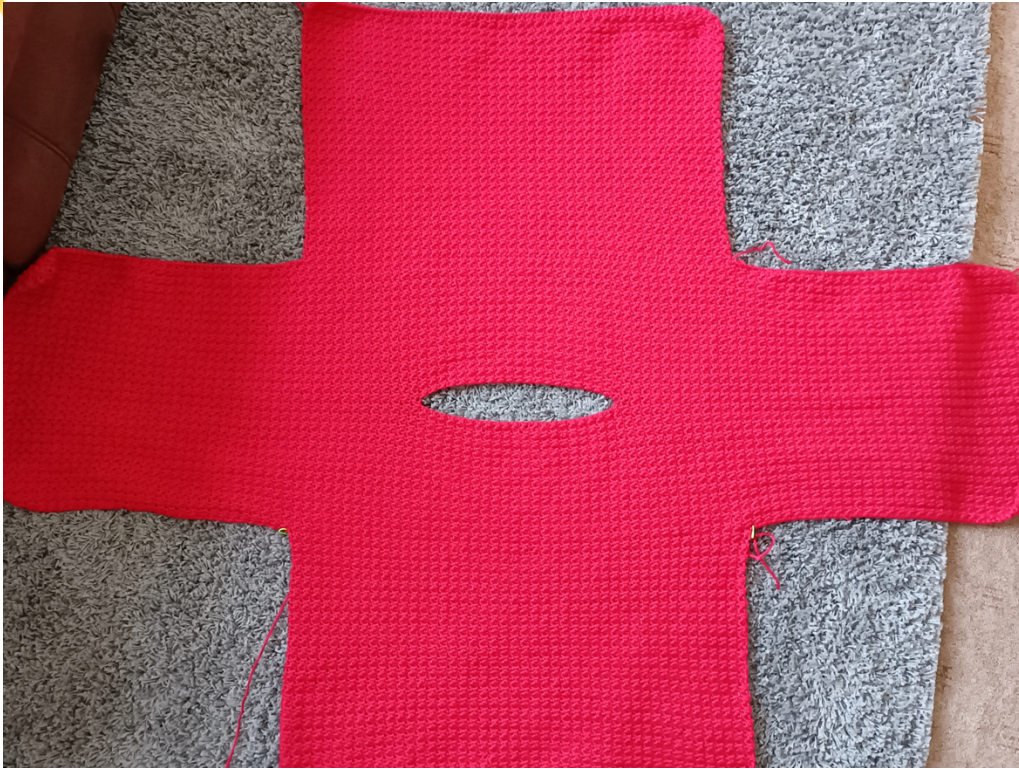

Attach yarn to the stitch after the stitch marker **on the side you were working from.**

CH1, DC in first st, SC in next st, *DC in next st, SC in next st* Rep from * to * across to the stitch before the next st marker. You will end with a SC. Turn

- Rows 2: CH1, DC in first st, SC in next st, *DC in next st, SC in next st* Rep from * to * across You will end with a SC. Turn
- Row 3 on: Rep row 2 until your final body section from Row 9 measures 14.5" (15", 14.5", 14.5", 13.5") (14", 13.5", 13.5", 13")
