Pattern Notes

Written in US terms

- Ch1, Ch2, and Ch3 *do not* count as stitches unless specifically stated.
- Pay attention to stitch placement and read the instructions fully
- The pattern repeat is 7 stitches for the body of the hat
- Pattern is written as Small (Medium, Large) when looking at stitch counts etc

Special Stitches

Bobble St: *YO, insert hook into indicated st, YO, pull up loop; YO, pull through 2 loops; rep from * 4 more times; YO, pull through all loops on the hook, ch1 to complete the stitch. CH1 does not count as a stitch!

FPDC: Video [here](#).

Yarn over (yo) and insert your hook from front to back between the posts of the first and second double crochet of the row below, and then from back to front again between the posts of the second and third stitches.

The hook should now be positioned horizontally behind the double crochet that you're working around.

Yarn over and draw the yarn around the post of the stitch.

You now have 3 loops on the hook.

Yarn over and draw the yarn through the 2 loops on the hook, twice.

One front post double crochet (FP dc) is complete.

BPDC: Video [here](#).

Chain (ch) 2 for your first double crochet.

Yarn over (yo) and insert your hook from back to front between the posts of the first and second double crochet in the row below, and then from front to back again between the posts of the second and third stitches.

The hook should now be positioned horizontally in front of the double crochet that you're working around.

Yarn over and draw the yarn around the post of the stitch.

You now have 3 loops on the hook.

Yarn over and draw the yarn through the 2 loops on the hook, twice.

You've made one complete back post double crochet (BP dc).

TR: YO twice, insert hook into indicated st and pull up a loop, *yo, pull through 2; rep from * twice more when all loops are worked off.

FPDC2TOG: This is done by working front post dc stitches as decreases (2 together). YO, insert hook around the next stitch and pull up a loop, YO and pull through 2 loops on hook; YO and insert hook around the next stitch and pull up another loop, YO and pull through 2 loops on hook; YO and pull through all loops on the hook. Decrease made.

BLO: This means that you work into what's called the back loop of the top of the stitch only, instead of going into both loops. Video [here](#).

Camel St: This is done by working into the 3rd loop of the previous row/round's hdc stitches. Insert your hook into the 3rd loop of an HDC stitch, which, for this pattern, is in the inside of the work (since we're working in the round). This pushes the top 2 V's to face more outward, thus creating a "knit stitch" look. Complete an HDC in the 3rd loop of the HDC from the previous row

Pattern

Band:

Row 1: Ch7, sc in 2nd ch from hook and in each across (6)

Row 2: Ch1, turn, scblo in each st across (6)

Rows 3-onward: Repeat row 2 until the band measures 19" (21", 23") long stretched.

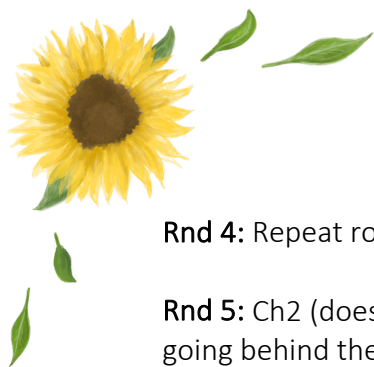

Step 1: To make the band, join beginning round and final round (ends) together by slip stitching the back loop of the ending round to the front loop of the first round together along each stitch to the end.

Hat Body:

Rnd 1: Ch1, sc 56 (63, 70) evenly around, join to first sc with a ss.

Rnd 2: Ch1, hdc in joining st and each st around, join to first hdc with a ss (56, (63, 70))

Rnd 3: Ch1, Camel stitch in each st around, join to first Camel st with a ss (56, (63, 70))

Rnd 4: Repeat round 3

Rnd 5: Ch2 (does not count), BS in same stitch *hdc in next 2 sts, sk next st, tr in next st, going behind the st just made, tr in skipped st, hdc in next 2 sts, BS in the next; rep from * around, ending with last 2 sts being hdc sts; join to first bobble st with a ss.

Rnd 6: CH1 (does not count), hdc in each st around. SS to first hdc to join. (56, (63, 70))

NOTE: remember that the Ch1 sts after the bobble stitch do not count as a stitch so be sure to skip those!

Rnds 7-8: Ch1, Camel st in each st around, ss to first camel st to join (56, (63, 70))

Rnds 9-16 : Repeat rounds 5-8 twice more

Rnd 17: Begin top of hat: ch2, fpdc around first post and next post, BPDC around next *fpdc in next 2 sts, bpdc next; rep from * around, join to first fpdc with a ss.

Note, you may not get a full repeat at the end of your round for sizes small and large. That is OK!

Rnd 18: Ch2, fpdc2tog around the first 2 posts from previous round, bpdc next, *fpdc2tog, bpdc next; rep from * around, join to first fpdc2tog with a ss.

Note: for size large you will end with 2 bpdc stitches as there will be 1 extra stitch for the repeat.

Rnd 19: Ch2, fpdc2tog around, (*ending with a single fpdc for the small and medium sizes*), ss to first fpdc2tog.

FO, leaving a long tail for sewing the hat shut.

To sew shut, weave the end with a yarn needle back and forth through each stitch around, pull tight to close. Weave in ends.
