Materials

- #4 weight yarn of your choosing. I used 320 yards of sage (Color A) and 200 yards of cream (Color B) in Stylecraft Simply Aran for the female version and less than 1 skein in cream and 2 skeins in sage for the male version
- 6mm hook
- Stitch markers (optional)
- Scissors
- Tapestry needle

Gauge

Gauge is not important as this is a scarf as long as your tension is consistent.

Sizing

My scarf measures 7" (her's) or 9" (his) wide x 60" long but you can add or remove as much length as you like as long as your first row has an odd number of stitches.

Abbreviations

- Ch(s)--chain(s)
- St(s)--stitch(es)
- rep--repeat
- sk—skip
- sc--single crochet
- hdc ss — half double crochet slip stitch
- bs – bean stitch
- blo – back loop only
- YO—yarn over
- FO—fasten off

Pattern Notes

- Written in US terms
- Chain 1 does not count as a stitch unless specifically stated.
- We recommend that if you are new to crochet or have problems keeping your stitch count that you place stitch markers to mark the first and last stitch of the row.
- This scarf is worked lengthways.

Special Stitches

HDC SS

To work the hdc ss you miss the last YO before you finish the stitch on a standard hdc. You therefore work it as follows:

YO, insert hook into next stitch, yo and pull through (three loops on hook), pull through the first two loops on your hook (1 loop on hook)

FHDC

You can find our tutorial on the foundation stitches:

For right handed at

Left handed - <https://www.youtube.com/watch?v=UqkTFzCja-A>

I find this has a more aesthetically pleasing finish than the chain starts to projects.

Bean Stitch

To work a bean stitch:

Insert hook into the next stitch (do not yo), pull through, yo and insert stitch into same st, yo and pull through, yo and insert stitch into same st, yo and pull through (6 loops on hook), yo and pull through all 6 loops on hook, ch1, sk1.
