## Materials

- You can use any size yarn for this. Thinner yarn will use more. I used approx. 110 yards of Stylecraft Aran (#4 weight yarn) with no cuff. You can use any yarn with the appropriate size hook.
- Hook recommended for the yarn used
- Stitch markers (optional
- Scissors
- Tapestry needle

## Gauge

Not important for this project as you create the length required with your chains and work to the desired width.

## Sizing

My finished gloves were 8.25'' tall and 4'' wide and fit a medium man's hand

## Abbreviations

- Ch(s)--chain(s)
- St(s)--stitch(es)
- rep--repeat
- dc--double crochet
- hdc – half double crochet
- sc--single crochet
- ss--slip stitch
- FPDC – Front Post Double Crochet
- BPDC – Back post double crochet
- * to * - repeat from * to *

## Pattern Notes

- Written in US terms
- Ch1 does not count as a st
- You will need to know the measurements for length, width and distance from the top to the part of your hand where you thumb starts to get a great fit! (see figure photos for more information)
- The figure photos are from our Susan wrist warmers but the same principles apply here!

# Pattern

*Note: these wrist-warmers are made as a rectangle and then the sides sewn together with a gap for the thumb.*
*If you prefer video tutorials you can find ours for this pattern at [https://youtu.be/ohwTw-yrWWM](https://youtu.be/ohwTw-yrWWM)*

**Row 1** Ch in multiples of 2 until you get the desired length of the wrist-warmer minus 1.5'' (this is made up with the cuff later). Then ch an additional 1.
Sc in second ch from hook and each st across.

OR

Fsc in multiples of 2 until you get the desired length minus 1.5''.

I fsc 32 to start (but I would do 34 or 36 for a large size and 28 or 30 for a small)

**Row 2** Turn. Alt ch2 in first st (this is made up of a sc and a ch)
Ss in next st, *hdc in next st, ss in next st* along.
*Note: you will end with a ss.*

**Row 3-32** Repeat row 2 until work is wide enough to go around the knuckles.
*(If you knuckle length is 4'', your work needs to be 8'' tall)*
***For example, to get a 4'' width I made mine measure 8'' tall as I worked it. You will then turn the finished rectangle on its side to create the finished item!***

Do not fasten off.

## *Assembly:*

Turn your rectangle 90 degrees.
Using a stitch marker mark the measurement from the top of the wrist-warmer to where the thumb starts.
Mark where the thumb finishes with another stitch marker (figure 2).

SS or sew from the top to the first marker.

 © Copyright Sunflower Cottage Crochet 2020

SS or sew from the second stitch marker to the bottom. *Do not FO*

*To work the Cuffs:*

**Round 1** Ch1, sc an even number of stitches evenly around the bottom of the glove.
SS to join
*Note: be careful not to sc too few as this will make the gap for getting you hand in smaller! I find one sc for each row works well.*

**Round 2** Ch3 (counts as a dc), DC in each stitch around.
SS to join.

**Round 3** ch1, *FPDC around the first stitch, BPDC around the next st* around
SS to join

**Round 4** Repeat round 3.

**Round 5** Repeat round 3.

FO, weave in ends.
