Pattern Notes:

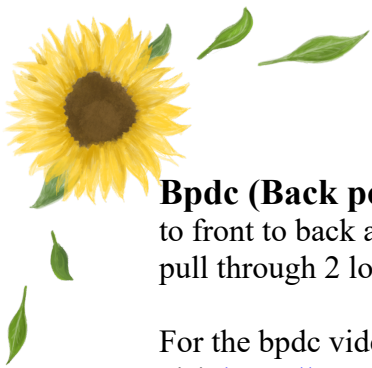

- Written in US terms
- Chain 1 and ch2 at the beginning of a round or row do not count as a stitch unless specifically stated.
- Pattern is worked from the bottom up, working the pattern by working the band first in rows, then joining the band's ends to make a circle, thus working in the round for the rest of the pattern.
- If you want to use two colors you can either change colors at rounds 2 and 6 **or** 1 and 7.

Special stitches:

Fpdc (Front post double crochet) - Yo, insert hook from front to back to front around post of indicated st, yo, pull up loop, [yo, pull through 2 loops] 2 times.

You work the fphdc in the same way, except you use the hdc instead of the dc stitch.

You can find a video tutorial on the fpdc at <https://www.youtube.com/watch?v=mawHHZyaWpI>

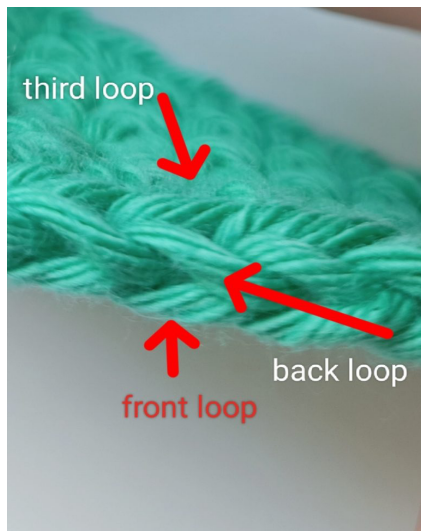

Bpdc (Back post double crochet) - Yo, insert hook from back to front to back around post of indicated st, yo, pull up loop, [yo, pull through 2 loops] 2 times.

Camel Stitch -

YO, insert hook into the THIRD loop of the HDC from the previous row (this will be a horizontal bar below the two loops you normally work into. If working in the round, it will be on the INSIDE of your work). Pull up a loop, YO and pull thru all 3 loops on your hook.

You can find my video tutorial for this at <https://www.youtube.com/watch?v=JUuktGH7tmw&t=31s>

Back Loop Only -

Back loop only is commonly used to create ribbing for projects. To do this: Ch1, insert hook into the back loop only of indicated stitch and complete the indicated stitch. You can find our video for this at <https://www.youtube.com/watch?v=pl9CRP3bKTc>

Crab Stitch -

This is a wonderful border stitch! To do this: ch1, sc in the stitch to the RIGHT of your hook (you normally work to the left). Do this all the way around, and slip stitch where you can INSIDE the project. This automatically creates a twisted “crab claw” look.

Kate Cup Cozy Pattern:

Row 1: Ch6, sc in second ch from hook and each ch across

Row 2: Ch1, turn. Sc blo in each st across

Row 3-28 Repeat row 2

Join short sides together

Here we join the two ends of our ribbing. Line up the edges and slip stitch the ends together going into the BLO of the last row you worked, and the FLO of the first row you worked. Do this all the way down the edges.

We are now working in the round:

Round 1: Ch1, hdc 30 sts evenly around. Ss to join. (30)

Round 2: Ch1, camel stitch in each stitch and in each around, ss to ch1 to join (30).
