## Special Stitches

You can find my tutorial on the foundation stitches (you will find the sc at about 23 mins into the videos:

Fsc

For right handed at

Left handed - <https://www.youtube.com/watch?v=UqkTFzCja-A>

I find this has a more aesthetically pleasing finish than the chain starts to projects and it gives the project more movement.

Bean St

To work this stitch: \*YO, insert hook into stitch, YO and pull through, Rep from twice more ensuring that you are working into the same st each time. YO and pull through all 7 loops on hook.

Picot
