- 
- yrs - years

Pattern Notes:

- Written in US Terms
- CH1 or CH2 stitches at the beginning of each round **do not** count as a st unless otherwise stated.
- Ch2 stitches between the DC3Tog **do count** as stitches.
- The stitch count remains the same for each row. They are given at the end of each row up to round 13 when each round maintains the same stitch count.
- Where the stitch count is the same for each size only one count will be given.
- The stitch multiple to adjust this pattern if required is 3.
- ***If you cannot meet gauge*** this pattern will still work. Work the crown until you reach the correct diameter for the size you are making. If you are just below the size required and another round of HDC will make the crown too big, work round 13 to get it to the correct size.
- Where pattern is different per size this will be shown as newborn/6mth/12mths/1-3 yrs/4-10 yrs/teen/ adult med/adult large.

- Please read the pattern and ensure you are comfortable with it before starting your project.
- When measuring the length of your hat when working the main body, you do so from the top of the crown.
- You may end on any row before starting the brim.

Special stitches:

Modern Granny Stitch:

The combination of **rounds 13-16** on the main body is known as the modern granny stitch. There is also a **photo tutorial at the end of this pattern** to help you with placement etc.

You can find my video tutorials on how to work this stitch at:

Right handed - <https://youtu.be/HGwXLuG4uQ8>

Left handed - <https://youtu.be/xjosrIBt45I>

DC3Tog:

This stitch is worked over three stitches. YO, insert hook into first st to be worked, YO and pull through. YO and pull through 2 loops on your hook (2 loops on hook). *YO and insert hook into next stitch to be worked, YO and pull through. YO and pull through two loops on hook (3 loops

on hook). Rep from * once more (4 loops on hook). YO and pull through all 4 loops on hook.

Back post:

To work a bpdc you work a dc, but instead of inserting your hook into the next stitch through the front and back loops, you insert your hook around the post of the stitch below from the back to the front and then out of the back again.

You can see this in my bpdc video
