Pattern Specifics:

Materials:

#4 weight yarn of your choosing - In 4 colours

- 5mm and 4mm hook
- Scissors
- Tapestry needle
- Stitch Markers optional to mark first or last stitch of the row.

Gauge: Does not matter as long as tension is consistent.

Sizing: Your wall hanging size will vary depending on the stitch you use. I used mini corner to corner and my wall hanging is approximately 15" wide by 19.5" tall

Note: this pattern is written so that you can make it any size with a variety of techniques and use whatever size yarn and appropriate hook takes your fancy! I have given written and colour block instructions for corner to corner but you have the chart to work from for a different technique (intarsia, tapestry, single crochets. Equally, you can choose to use either double crochet or half double crochet for your corner to corner section.

Abbreviations used:

- Ch(s) - chain(s)
- St(s) - stitch(es)
- YO - yarn over
- Sc - single crochet
- hdc - half double crochet
- SDCP - staggered double crochet pairs
- SS - slip stitch
- FO - fasten off

Pattern Notes:

Written in US terms.

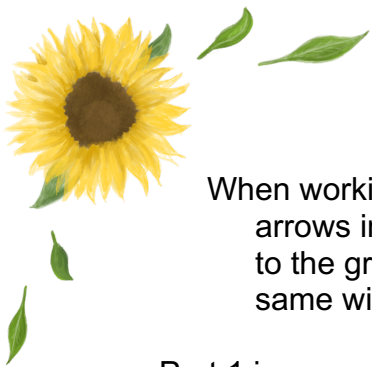

Ch stitches at the beginning **do not** count as a st unless otherwise stated.

The stitch multiple is 2 for the bottom edging

Pattern is written for #4 weight yarn but you can play around with your yarn and hooks to get any size you need for this one!

The first part of this pattern is for the corner to corner pattern. You will find the written instructions for this first. The colour block instructions and chart are the end of the pattern if you prefer these. If you are new to corner to corner I have a Learn to Corner to Corner Mini Course at

<https://sunflowercottagecrochet.com/learn-to-corner-to-corner/>

When working Part 1 (the corner to corner section) the arrows indicate which way the row is worked according to the graph – left to right or right to left (this is the same with the arrows in the color block instructions!)

Part 1 is a corner to corner graph and is worked bottom right to top left on the right side.

To work out how much yarn you will need you will need to do a sample swatch with the stitch you intend to use (HDC or DC) and then measure how much yarn you used per stitch multiplying that by the number of stitches of that color and adding some for the tails to be worked in at the end.

Stitch totals for part 1 are:

Colour	No of Sts
White	282
Yellow	173
Orange	109
Brown	61

Special stitches:

DC2TOG: Also known as a decrease, YO, insert hook into indicated stitch and pull up a loop, YO and pull thru 2 loops only, YO, insert hook into next st and pull up a loop, YO and pull thru 2 loops, YO and pull thru all remaining loops on the hook.

SDCP: *This is the same as the DC2Tog stitch but you only work into the CH1 spaces from row 2.

Double crocheting 2 together by placing first leg of the decrease in the previous stitch worked and second leg of the stitch in the next ch1 space and chain 1 are what make the Staggered Double Crochet Pairs stitch. The video linked above helps to explain how to do it very well and I chose to include the full instructions in the pattern for clarification as well.

I have a SDCP st washcloth pattern video tutorial that shows you how to work this stitch from row 2:

At this point I recommend preparing your corner to corner square for borders. I have a blog post on how to do this at [https://sunflowercottagecrochet.com/how-to-](https://sunflowercottagecrochet.com/how-to-prepare-your-corner-to-corner-projects-for-joining-and-borders/)

[prepare-your-corner-to-corner-projects-for-joining-and-borders/](https://sunflowercottagecrochet.com/how-to-prepare-your-corner-to-corner-projects-for-joining-and-borders/)

The Preparation:

**If you prefer video tutorials you can find my right handed version at <https://youtu.be/7hLCZ6i6eeM> and the left handed version at <https://youtu.be/pxU37LP-r5c>

If you worked a HDC c2c block: With this part you are going to be SC into the spaces between the C2C blocks and chaining 2.

If you worked a DC c2c block: You will substitute each CH2 for a CH3.

Preparing your Squares

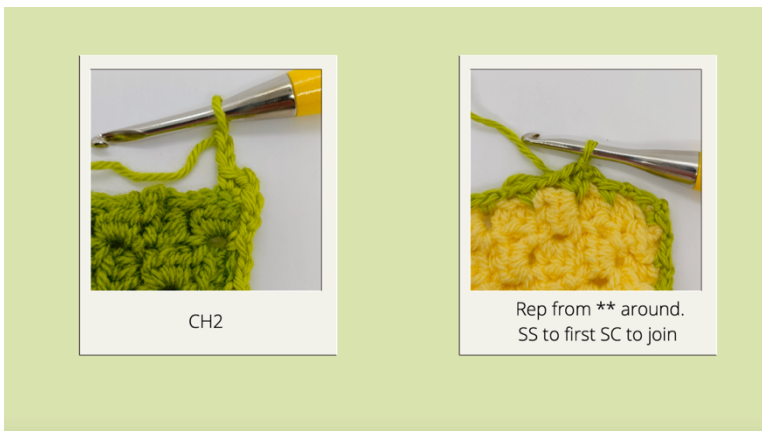

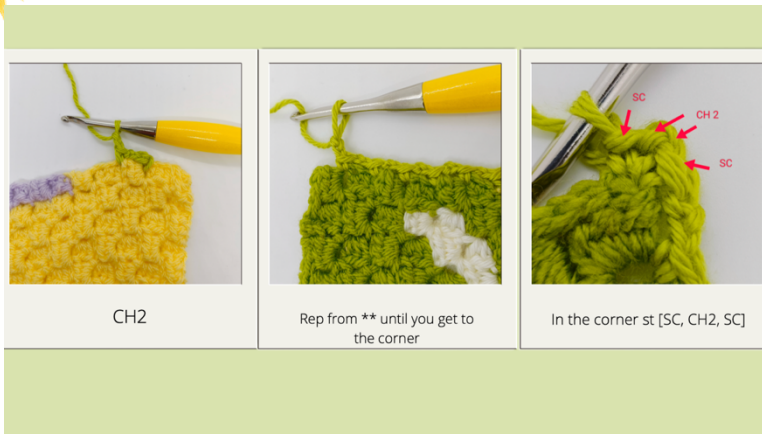

Attach your yarn between any of your c2c blocks

*SC and CH2

SC between the next 2 blocks

Part 2: The Striped bottom section

Now we will be working the coloured rows of SDCP sts under our sunflower.

Note: You will now be working in rows to add height to your wall hanging. You may add as many rows as you wish and in any colour combination.

Attach your white yarn to any corner.

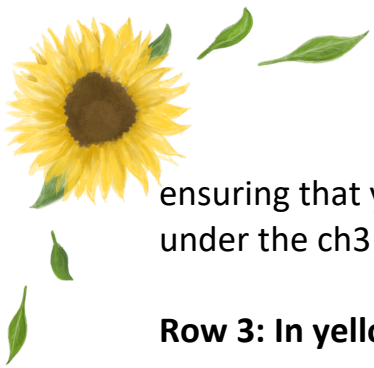

With a 4mm hook

Note: for this section refer to the figure photos under the special stitches.

Row 1: SC an even number of stitch along one side of your sunflower.

Row 2: In Brown CH3 (counts as a dc, ch1), *DC2Tog across next 2 sts, Ch1. * Rep from * to * across, dc in last st.

Row 3: In white Ch3, turn, DC2Tog across 1st and 2nd Ch1 spaces, Ch1, *DC2Tog by inserting your hook into the same stitch as the last leg of the previous stitch you just did and the next Ch1 space, Ch1* Rep from * to *

ensuring that you place the last leg of the final stitch under the ch3 from previous row, DC in top of ch3.

Row 3: In yellow, Rep row 3

Row 4: In white, Rep row 3

Row 5: In orange, Rep row 3

Row 6: In white, Rep row 3

Row 7: In yellow, Rep row 3

Row 8: In white, Rep row 3

Row 9: In brown, Rep row 3

Row 10: In white, Rep row 3

Do not FO.

Edging your wall hanging:

In white, Ch1, turn, Sc in first st and each st across the bottom of your wall hanging until you have 1 st remaining, [2sc, ch1, 2sc] in last st.

Turn your work so you are working up the side of your wall hanging, Sc evenly (for me this was 2 sts in each ch2 sp) up the side of your wall hanging until you have 1 st remaining, [2sc, ch1, 2sc] in last st.

Turn your work so that you are working along the top of your project,, Sc in second st and each st across the top of your wall hanging until you have 1 st remaining, [2sc, ch1, 2sc] in last st.

Turn your work so you are working down the side of your wall hanging, Sc evenly (for me this was 2 sts in each ch2 sp) down the side of your wall hanging until you have 1 st remaining, [2sc, ch1, sc] in last st. SS to top of first sc to join.

FO and weave in ends.

I would recommend that you block your wall hanging if required at this point, before attaching the dowl.

Attaching your dowl:

There are 2 options here.

**Option 1:**

Chain 65, skip all of the stitches in the row and slip stitch to the last stitch of the row

OR

Option 2:

Single crochet over a length of 6mm dowl cut to approx. 2" longer than your wall hanging.

I have video tutorials on how to do this

FO and weave in ends.
